## FAQ

### What will I learn?

The most important dancing essentials! Lead & follow, connection, and a variety of skills you can apply immediately to any dance.

### Why are they important?

You will learn more, faster! By attending groups, you will spend a lot less time reviewing on each of your private lessons resulting in learning new material quicker!

### What is a party?

Dance, gain experience, and improve confidence! Beginner to advanced students come to practice what they've learned at party, which simulates a real social dance setting (just way more fun).
